Major Announcement: The SDG Blockchain Accelerator is officially launched!

It is designed to empower YOU to drive innovation and impact like never before. 40 UNDP blockchain initiatives will be accelerated across the globe!

This groundbreaking initiative is strategically led by [UNDP](#) in collaboration with the [Blockchain for Good Alliance \(BGA\)](#) and co-implemented by the UNDP AltFinLab, BGA's Board of Advisors, and [EMURGO Labs](#). BGA and [Project Catalyst](#) provide funding support.

Here's what the Accelerator brings to UNDP personnel and teams:

- ◆ Supercharge Your Skills: Gain access to world-class technical expertise and mentorship to elevate early-stage blockchain projects.
- ◆ Build Scalable Impact: Launch pilot projects that demonstrate blockchain's transformative power in tackling development challenges.
- ◆ Lead Ecosystem Growth: Champion cross-chain collaboration and ignite innovation across the global blockchain landscape.

UNDP teams, this is your call to action: Step into the future of sustainable development and become pioneers of blockchain-driven solutions that make a real difference.

Blockchain changemakers like [Cardano Foundation](#) and BGA are already driving real impact — are you ready to join them?

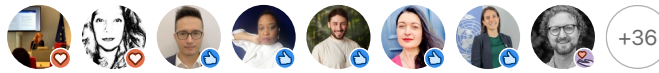

Let's build a better world - block by block.

Teodor, hiring is time-consuming. Unless it's with LinkedIn.

Promote your job for 3x more qualified applicants.
