Dear Burcu,

Apologies for the delay, we're working on it and will send it out within that time frame.

Best,
Adriano

Dear Adriano,

I hope this mail finds you well. Today with all the partners of SDG Blockchain Accelerator, we agreed on a joint press release that should take place before the kick-off of the hackathons. We aim for 11th August for that press release and the DD process takes time from our side. **Thus, I kindly ask you to finalise the document and share with us end of this week or early beginning of next week** so that we can be ready for the press release and have SUI as well.

Looking forward to hearing back from you.

Best regards,

Burcu Mavis

Dear Adriano,

I hope this mail finds you well. Do we have any news about the DD process? Since we plan to start with hackathons by the end of August, it is important that we finalise the DD process as soon as possible.

Let me know if you have any questions.

Best regards,

Burcu Mavis
